*The following is a statement from Sen. Watson regarding the U.S. Supreme Court decision in Fisher v. University of Texas:*

The future of our state and our country depends upon creating opportunity for everyone. Today's U.S. Supreme Court decision helps us do that in higher education in Texas.

We'll continue to strive toward making all of our state universities a reflection of the diversity and strength of our state. I'm committed to ensuring that the best students from every community have access to the best education Texas has to offer.
