SEN. PERRY ANNOUNCES SEVERAL TOWN HALL FORUMS W/ REP. BURROWS

LUBBOCK, TX – Today, Senator Charles Perry announced a series of town hall forums with Rep. Dustin Burrows (R – Lubbock) to discuss the previous legislative session and issues relating to state government.

“I have enjoyed traveling throughout the district visiting with constituents and hearing their concerns,” said Senator Perry. “I look forward to continue visiting with constituents at town hall forums throughout the interim so that I can properly represent the citizens of my district in the next legislative session.”

“We had a strong first session in the senate passing several important bills to our district and serving as the first freshman chairman since 1993,” continued Perry. “We passed a conservative budget that properly funds public education and border security, while significantly reducing both our state’s property tax and business tax.”

Last month, Senator Perry visited 15 counties with Rep. Drew Springer as part of his first town hall tour since the session. You can see a full listing of his tour with Rep. Dustin Burrows below.
