# Sen. Rodríguez's statement on Supreme Court taking up immigration case

State Sen. José Rodríguez, Chairman of the Senate Democratic Caucus, issued the following statement today regarding the Supreme Court's decision to hear *Texas v. United States*, regarding the President's executive order on DAPA and the expansion of DACA.

*Immigrants contribute to our nation's success. The Supreme Court should throw out the lawsuit, and Congress and presidential candidates must stop playing politics with people's fears and fix our broken immigration system. Texas would benefit greatly by fixing our immigration system, and we encourage all Texans to demand that Congress do its job.*
