Senator Hancock Appointed to Senate Select Committee on Transportation Funding

AUSTIN-- This week, Lieutenant Governor David Dewhurst appointed several senators including, Senator Kelly Hancock, to an interim Select Committee on Transportation Funding. The select committee has been tasked with discussing solutions to our state's growing transportation needs and will oversee highway infrastructure improvements including the roads recently proposed by TxDOT to be converted to unpaved roads.

"I am honored and grateful to Lieutenant Governor Dewhurst for being appointed to the Senate Select Committee on Transportation Funding," said Hancock. "As the only member of the committee from the Dallas-Fort Worth area, I see firsthand the challenges we face on the roads and highways every day. It's vital to the economic growth of our region and state that we continue to implement effective, sensible solutions."

Lieutenant Governor Dewhurst also appointed Chairman Tommy Williams, Vice Chairman Robert Nichols and Senators Hinjosa, Campbell, Eltife, Seliger, Uresti and Zaffirini to the select committee.

Senator Kelly Hancock represents Senate District 9, which includes portions of Tarrant and Dallas Counties.
