Statement from Senator Garcia on Houston ISD Superintendent Vacancy

HOUSTON - Texas State Senator Sylvia Garcia issued the following statement regarding the current vacancy in Superintendent for the Houston Independent School District.

"In light of the current situation facing Houston ISD, the families and community it serves, I urge the Board of Trustees to act swiftly to decide how the next Superintendent will be picked. The students, teachers and community need to know as soon as possible how the district will move forward. The current Board of Trustees is the most diverse in the district's history and I trust that they will take into account the vast diversity of Houston in the search for new leadership."
