

DAWN BUCKINGHAM  
STATE SENATOR

## **Texas Armed Services Scholarship Opportunity**

Attention high school students in Senate District 24, it is that time of year for the Texas Armed Services Scholarship Program selection process. My office is now accepting TASSP applications for high school students interested in enrolling in a Reserve Officers' Training Corps. As a member of the Senate Committee on Veterans Affairs and Border Security, I am honored to have the privilege of selecting a student from my Senate District to become a leader in our military forces. If you are interested in applying, please email Wilson Adams at [Wilson.adams@senate.texas.gov](mailto:Wilson.adams@senate.texas.gov). He will help walk you through the process. If interested, we need to hear from you by close of business August 31, 2017.
