Message:

Dear Committee Members,

I know that I am just one voter, but please add my voice to the thousands if not millions of Texans who demand fair and representative redistricting. We need a map that reflects the diversity of our growing state and our major metro areas and that gives everyone a chance to be fairly represented. Texas is facing unprecedented crises of a magnitude we've never seen. Lives are at stake. Human dignity is at stake. Please give us a fair map and a fair chance to represent all voices, especially those who have historically been underrepresented. It is unjust as well as absurd that those of us who live in big cities have been unable to have a voice speaking on our behalf in Congress for far too long.

Do the right thing. Put voters first. Be on the right side of history.

Thank you,

Nicole Golden
