To whom it may concern,  
I am writing this email to voice my concern over the proposed redistricting of Montgomery County, TX. I vehemently disapprove of this proposed amendment! My husband and I moved from NJ to Texas a little over two years ago for the specific reason of freeing ourselves from the communist values and the tyrannical oppression of a blue state! We specifically chose Montgomery County for not only it's quite, inviting, and beautiful environment, but also for the fact that Montgomery County is a red county whose values reflected the same Republican values my husband and I both share! Considering the fact that where we live is literally surrounded by farms, I find it particularly disturbing and unfair to switch our rural county to an urban county by merging us with Harris County. I refuse to be forced to live in a blue county and I pray that you reconsider this redistricting proposal. The last thing I want, or need for that matter since I am disabled, is to have to move yet again, especially since I adore the area we live in and this is the first home we have ever owned. Thank you for taking the time to listen to my concerns and, should you have any further questions, please feel free to contact me.

Sincerely,  
Ashley Ondich
