Address: [REDACTED]  
City: Spring  
State: TX  
Zipcode: [REDACTED]  
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Senate

Message:

Our state is gerrymandered to the nth degree. We need districts that are not politically based, but geographically based. It makes NO sense that I'm in a North western suburb of Houston, but have the sand representative as the north east and close to downtown. Fix it and make the districts geographical instead of trying to dilute the votes of the opposing party. It's ridiculous and you should all be ashamed of yourselves.
