Message:

I respectfully urge you to not move Lavaca County into district with Harris, including River Oaks and Ft. Bend counties. Lavaca County is rural, agricultural and home to family owned small businesses. If we get thrown in with the large urban areas with their unique problems and needs and huge school districts and freeway projects and crime issues, etc. our local voices will be effectively lost. You would be writing us off the legislative stage. I don't think that is the intention though.

We don't have any large towns or sprawling subdivisions. The County Seat of Hallettsville has population of 2382. There are about 14,000 of us in the county. We need to have, close association with other like counties (Colorado, Jackson, Wharton for instance) so that we can continue the good understanding and representation we have, and serve our residents and not be lost and forgotten in the urban crowds' agendas.

Thank you. Carol Morton
the courtesy of an receipt will be appreciated.
