Message:

The attempted redistricting of Senate District 16, which is in Dallas County (and the City of Dallas!) to a district in Wise County (proposed 12) is asinine. I have lived in district 16 my entire life, and we share virtually nothing in common with a rural county like Wise County. Being in the city of Dallas alone shows that we should not be in a district with rural voters. You might as well connect us to Amarillo and really have fun with the map! This is gerrymandering because there is no logical reason for it!
