Hello,

I have just heard of this Redistricting of Senate District 18 and I am very concerned. I am a current resident in Colorado County. People who live in these rural communities have a quality of life that is very different from living in the city, and very important to them. We want to be represented by someone who is familiar with our way of life and that is Senator Kolkhorst. I do not want to be represented by Huffman, I did not vote for her and I do not want to be included in District 17.
