Message:

My husband and I were both born and have lived in Montgomery our entire life. When I married my husband we moved out on our own and we chose where to live based on both of us growing up in Montgomery county and wanting to bring our future children up in the county we grew up in. If we wanted to live in and be represented by Harris county we would have moved to Harris county. We chose to live where we would be represented in Montgomery county. It is wrong to split Montgomery county 3 ways in order for representatives to choose who their voters are instead of how it suppose to be in that the voters choose their representatives. We voted and elected our representatives in Montgomery county and by splitting Montgomery county you are saying our votes do not matter and are taking away the representatives that we wanted and elected. Keep Montgomery county whole!
