Hello TX Redistricting Committee,

I am writing regarding the proposed redistricting maps that I DO NOT believe fairly represent their communities. With the current maps, I do not feel fairly represented and the proposed maps are even more disproportionately laid out. The many new bills recently passed make my stomach churn and I feel like the political atmosphere is toxic and not representative of its communities.

The Proposed maps are extreme gerrymandered maps and I DO NOT Support them. I ask our legislators to work in a bipartisan manner and develop a fair representation of our many communicates to include those of color.

Very Respectfully,
Lisa Cowan
