Message:

My gratitude for your serving our State and Nation is profound.

I am well aware of the profound divisiveness in our country today, and I am urging you to rise above your particular partisan loyalties and represent every Texas resident. I am urging you to create districts in Texas which FAIRLY represent the population numbers, RATHER than carving our state into unnatural, politicized districts.

Your actions reflect your conscience and we are hoping that you will be able to recognize that every Texas citizen deserves to be equally represented in a fair redistricting process. When you, our Senators, look in the mirror in the morning, we hope that you will be able to say "I voted for ALL humanity in this particular vote, knowing that each citizen will now have his/her vote count equally in our future".
