Affirm public info: I agree

Regarding: Senate

Message:

Gerrymandering has long been a Texas tradition and these proposed districts are no different. The minority do not need to be silenced as this proposed map allows for and further more Parker and Johnson counties are vastly different from Tarrant. The proposed changes makes no sense. There are many other nonsensical boundaries but I live in Tarrant county. As my state senator you need to draw fair and balanced districts that represent the good of all people.
