Message:

My name is Sandra Silverman and I am representing myself in my comments to you in this email. I live in Grapevine, which is in the middle between Ft. Worth and Dallas. My neighborhood is close to many schools , where a large percent of the students speak English, Spanish and various languages from Asia. I worry how divided we are as a country. Gerrymandering and map manipulation only make the problem worse. I am worried about the abusive treatment of black and brown citizens in this state! I also am worried about gun violence. Let's stop focusing on which bathroom should be used. Let us take care of the disabled and the veteran!

I ask the committee to draw up maps that are fair and represent all Texans. It is shameful that Black and Latino communities voices have been marginalized at the ballot box . It's time for Texas to do better for all its citizens!!
Thank you,
Sandra Silverman
