Message:

Your actions regarding redistricting are obviously not drawn to acknowledge the growth in some areas but to blatantly disregard voters of color to protect the predominantly white legislature that is Republican. You were voted in to HELP ALL people in Texas and by spending your time legislating women' bodies and people of color's right to vote you have done nothing to address the freeze of 2020 that left people without medical necessities, with destroyed homes and many dead.

You and you alone as a body can't fix problems in Church on Sunday or at the Golf Course on Saturday. You need to act like caring politicians instead of self-serving "good 'ol boys. If you don't change, we will go from door to door to educate voters about your lack of actions and we will get them to the polls to vote against you!

THAT IS A PROMISE!

TINA WASSERMAN
