Affirm public info: I agree

Regarding: Congressional

Message:

Dear Sir or Madame,

As a resident of Gonzales County, I would ask that in the redistricting of the US Congressional and State Senate districts that you would do one thing, keep Gonzales County together. For too long has Gonzales County been separated in its CD and SD borders. It would be nice to have all of our representatives be for the whole county. We understand this is a rural community, but our candidates should represent us as a whole county.
