Affirm public info: I agree

Regarding: Senate

Message:

I am against gerrymandering when it's done just for the benefit of elected officials securing their own positions ALL the time. It's like they're being lazy and taking the easy way out instead of having to reach out and communicate with all the people. When they get in office, they say, "the people want", when in reality, they didn't even communicate with all the people. It's very sad when Power and Control becomes your main interest and reason for running for office and staying in office. This is why so many people don't care to vote and get involve. It's just mere self-seeking interest with Power, Control and Perks. All I see now, is those putting self interest and party over the people.

Gerrymandering needs to go.
Let everyone's vote count
and then we can all
appreciate TRUE
DEMOCRACY!!!!
