Message:

Democracy at its very core is based on the fair representation of each voter. This process has been corrupted in Texas and throughout America. The current system is so corrupt that it is HIDDEN from the very people it should serve. I am imploring you to change this. YOU CAN DO IT! Politicians should not be allowed to pick their voters. Voters should pick their representatives. If YOU do not rise above this by establishing an Independent Redistricting Committee to draw the maps of the US House districts, Texas House districts, and Texas Senate districts; then YOU are perpetuating this corrupt system that will result in the end of the great experiment of democracy: the America we love. I am counting on you to do what you know is right!
