Hello. I'm a resident of Wells Branch (78728). I love my diverse, thoughtful neighborhood. The current district lines make a mockery of our area by pulling a teeny, tiny section of North Austin into a district that spans from College Station to Waco. It is obvious the current lines are an attempt to silence more urban, more Democratic areas. The concerns of Waco and College Station are not the same concerns as our area. The representation should reflect that. Instead, we are silenced by gerrymandering. Thank you for considering a government that's more representative of the Texas I hope to see.
