Message:

Texas voters turned out in record numbers to keep Republican leadership of the state in place. Please remember to keep rural areas separate from urban and suburban areas of the state. People move to rural Texas for a reason. My personal experience, from living and working in Austin and Travis County for more than 30 years, is that my conservative values are NOT reflected, or even heard by the local elected officials. My husband & I made a choice to move to Burnet and have been rewarded to find a community of like-minded individuals and elected officials. Please help our rural community retain our 'voice'!
Thank you all for your public service!
