Affirm public info: I agree

Regarding: Senate

Message:

1. Is there a reason why the Federal district maps shouldn't be drawn to the same philosophy as the state maps?
2. Why is the current session of the Texas Legislature preparing to draw state maps when the 2020 Census will be published after the current session has ended? Based on the Texas Constitution, shouldn't it be the session after the census is published which would be 2023 Texas Legislative Session?
