Message:

I'm writing in reference to the proposed Texas Senate redistricting map. I do not agree with the proposal at all, specific to Aledo Aledo ISD, Parker County and East Parker County, we are an established, strong and supportive community that does not deserve to be divided as the proposed redistricting map represents. We deserve to keep our community as it has been and to continue to support our families, kids, schools, businesses as one community and not a divided one with the new map. We have an amazing community that we have fostered and supported it's growth and united home-town pride as a Parker county community. We are a deserving community that deserves to keep itself whole and unchanged. I do not support this new proposed map. The proposal is an awful map that splits our community and waters down our ability to elect those who best represent our community. Please reconsider and do not change our Parker county community.

Regards,

Amy Brandon
