**Message:**

I am going to say this briefly. It is vital to the wellbeing of the people of the State of Texas that the Congressional, State House, State Senate, SBOE, and Census districts drawn in this committee are not gerrymandered. The people should have a right to proportionate representation, with districts drawn based not on demographics but simply on population. Any action contrary to this principle is a dark mark on the legacy this Legislature and the legacy of this State. Do the right thing.
