Message:

As a lifelong resident of Brownsville , Texas in Cameron county, I was dismayed to see the negative impact the proposed redistributing plan would have on Congressional district 34. The Cameron county area has seen a marked increase in participation by constituents seeking conservative leadership and policies. By removing four red counties out of District 34 those voices will effectively be silenced. I am one of those voices. My concerns have been ignored by my current Congressman and I want to have a chance to see a conservative voice for District 34 when I cast my next vote. Please rethink this plan and do not remove all four red counties from our district.

Respectfully submitted,

Bonnie Elbert
