Message:

As a voting member of the Wells Branch community, I am writing to tell you I OPPOSE PlanC2101. I implore the Senate to draw a fair congressional map that keeps the Wells Branch community together in District 37 with similar suburban Austin communities. As a parent and elementary school principal, I teach children that their voices can be heard. By drawing lines that split a community in half and leave half of it with an area that is not representative of our community, we are discounting the voices of members of this community.
