Message:

I have reviewed the proposed redistricting plan for Colorado County. It does not take deep study to realize moving Colorado County to Dist. 17 makes no sense. All counties require and expect representation that reflects its needs.

Including Colorado County with the River Oaks area of Houston diminishes the voice of the rural community. There could not be a greater difference in the needs of these two areas.

I respectfully ask consideration of leaving Colorado County in Dist. 18 where we have received fair representation.

Thank you,

Dwain K. Dungen
