Message:

Hello I just want to say that I live in north Fort Bend County and my wish is for our area to remain in Texas State Senate district 18. We have been used to being in this district for years and changing to another Senator would take time to get used to and we are already used to Senator Kolkhorst representing us with her many visits to Katy. I am against our district to switched in the proposed redistricting map. I only speak for north Fort Bend County.
