Message:
Dear Sirs,

Thank you for your service to our great State.

The proposed changes to district 18 would have a highly adverse effect on our community. We remain small town and rural and our needs are vastly different from large cities. Lumping us into a district with Houston would put our community at a great disadvantage and radically change our opportunity to maintain the lifestyle that brought us here to begin with.

Please reject the drastic gerrymandering change to district 18. As your constituents, we will track your votes on this matter.

Sincerely
Elizabeth and Carl Robbins
