Message:

I am not at all in favor of the redistricting proposed by the committee. This breaks up my community, Wells Branch, into two separate districts. This deliberately divides our voice in the government, and that makes me incredibly angry. I am a registered Republican, which is getting more and more difficult to be, but if our party is to be successful in Texas, I want it to be on fair terms and not because of an unfair split of a community. I love my community too much for that. This is unfair and unjust and must be opposed.
