Message:

Redistricting is complicated. But please do not divide our town! That just does not make any sense. We purchased land in Turtle Creek back in 1980 specifically because it was in Montgomery County. There is no reason to change the borders of Montgomery County. If we wanted to live in Harris County we would have bought land in Harris County, but we didn't we bought land in Montgomery County. Dividing our country town of Magnolia would be detrimental to lots of people. Please do not divide Magnolia.
