Message:

I live in Wells Branch in north suburban Austin - 78728. We are an active and close-knit community and the "glue" that holds us together is our fantastic Katherine Fleischer Park and trail system. This is where we watch our neighborhood parade on the Fourth of July. It is where we hold Board meetings with our MUD. It is where we greet each other on our morning walks, and it is where our kids learn to swim. PlanC2101 uses this very important shared community space as a border between District 10 and District 37, effectively splitting our community through it's very heart. Please do not separate our community! All four Wells Branch Precincts (215, 216, 225 and 229) belong in District 37, with similar north Austin neighborhoods. I have an Austin address and Austin Energy provides my electricity. We are Wells Branchers and Austinites; please keep our community together.
