Message:

In the current draft of the redistricting map my zip code [REDACTED], is now lumped in with Navarro and Van Zandt counties in district 2. I think the problems of the very dense area of Far North Dallas such as: crime, raves at the car wash, homelessness, Air BNB rentals, and traffic/congestion among many, many others deserve the focused attention of our representative. We need a State Senator that can be focused on issues that affect us and not have loyalties pulled between urban and rural issues and solutions.
