Message:

I live in Wells Branch and PlanC2101 would split my community in half right through our central neighborhood gathering place, Katherine Fleisher Park. It's not right to split our close-knit community between two congressional districts. As this plan stands, my section of Wells Branch in the northern part of the neighborhood would be grouped into the mostly rural district 10. My aunt lives an almost three drive away in the outskirts of Houston and she would be represented by the same congressional district as I would. That's absolutely absurd. Our neighborhood deserves to stay grouped together and, based on our needs and demographics, the entirety of Wells Branch belongs with the other North Austin suburban neighborhoods in District 37. I strongly oppose PlanC2101.
