Message:

Please do NOT redistrict my area from Montgomery County to be included with Harris County. There are reasons besides taxes, that we moved up here several years ago after 25 years in Galveston County. It's very important to my husband and me that our values are represented in our district and that is ensured by remaining as we are. The mire of Harris County political and population issues are not ours and our interests are most effectively served by remaining in our current district. Thank you.
