PLEASE RECONSIDER

The City of Simonoton and the surrounding rural areas heavily rely on and value Senate representation that is focused on our rural needs. If our area is redrawn into a district with Harris County and the City of Houston time, energy and focus the unique challenges of small towns and rural constituents. It is imparitive that we stay in Senate District 18 with areas much more in keeping with our own.

Additionally, Senator Kolkorst has been an excellent and available advocate and we respectfully request remaining under her representation.

Thank you,

Laurie Boudreaux
Mayor, City of Simonton
