Message:

As a resident of Colorado County for nearing a decade, I firmly and vehemently ask that my county remain a part of Lois Kolkhorst's district. She has fought tirelessly for us through Harvey, the creation of legislation and more. She strives to stay in touch with our needs as a rural and agricultural county and has always made the utmost effort to give back to our communities and kept our interests at the forefront of her actions. After years of dedicated service, we would be remiss if we did not speak up in support of keeping her as our Senator. Respectfully, I ask that the gerrymandering not affect her representation of Colorado County.
