Message:

I live in Magnolia Texas in Montgomery County. Looking at the proposed map you have Montgomery County being split. Half would go to Harris County where we would no longer have a voice. And the other half going to Washington County, this is a little better. I would like to not see it separated at all. But if it must, I would like to suggest the following:

From Cecil Bell

Having only 2 Senators for Montgomery County. Take Senate District 7 (Bettencourt) and put it in Kingwood. That would keep district 7 as a whole in Harris County. Then take Senate seats 4 (Creighton) and 18 (Kolkhorst) and balance the population of Montgomery County.

I like this better and it keeps us out of Harris County where we would not have a voice. I hope you will take this into consideration as you move forward with a decision.

Thank you for your time.
Al & Loretta Blendermann
