Message:

I am a citizen of Colorado County and I want to express my fear about the plans to redistrict Colorado County to be included with parts of Harris county. I am vehemently opposed to this action. I am happy with our small town and the ability for my voice to be considered in political decisions made. Colorado County would not be properly represented if the county was to be "lumped in" to an area that is not familiar with the wants and needs of a small town. We are not the city and we like our rural living. I am an active voter and a person of Colorado County, I live here by choice. I am not interested in being subject to the desires of politicians who do not represent me. Thank you for my ability to have some input to this conversation. Mary Kay Heffley
