Message:

Thank you for the opportunity to submit this written testimony regarding Senate Bill 4 (SB4) relating to the composition of districts for the election of members to the Texas Senate. I am opppsed to SB4 and the proposed drawing of Senate District 10. I demand this committee keep the current boundaries of SD 10, which were court ordered in 2012. SD 10 is the only crossover/minority opportunity Senate District in Tarrant County. Dismantling it is a violation of the 14th and 15th Amendments of the US Constitution as the US Supreme Court previously explained. Use the existing map for SD 10 without any changes to the existing boundaries.
