Message:

We are a community of interest and should stay intact.

A division would be a disruption in our community and goals for the future.

Does Burnet County deserve to be the sacrificial lamb when it come to redistricting results that dilute our community's influence?

Burnet County and the Highland Lakes are a community of interest that work together in times of crisis.

We do not want a political division in our small rural Central Texas county.

I respectfully ask you to reconsider dividing Burnet County and keep our county together as one active and political community.
