Message:

Please do not add part of Magnolia to a Harris County district. Many who purchased homes in Magnolia, including myself, did so to be outside of Harris County and have a more rural experience away from Harris County and Houston area politics. Splitting up a tight knit community such as this will result in those being removed having no voice in a new district, losing neighborhood and familial ties, and losing the value of their chosen homestead. It will result in lack of representation and a loss of voice in the community. Please consider the communities you impact before making decisions to split communities and bonds.
