Message:

As a Constituent in SD10, I am mortified at the potential for redistricting and gerrymandering the one last large metroplex in the State. I understand that the republicans want to keep all districts red. But I know there is no coincidence that Tarrant County went for Joe Biden in 2020 and now we have our Texas legislature in a 3rd special session trying to gerrymander my district to thwart true representation of the constituency of the district. Can you not win without cheating? Shame on you! Leave SD10 as is.
