Affirm public info: I agree

Regarding: Senate

Message:

Good day fellow Texan! I've waited over 20 years to be able to say that. You see, my husband gave over 20 years of service to this country and I had the pleasure of tagging along. Texas is our home state. After retiring, we made a promise to each other that we would once get back home to Texas, build our dream home and live out the rest of our lives. Well, we are happy to say we are back home and reside in Montgomery County, Texas; specifically Magnolia, Texas. We chose to build on land that belonged to my family for literally 100 years. It is our home. We were extremely saddened to learn that the proposed redistricting of our area could potentially place us in the same district as Harris county and force us to be represented by a Senator who represents Harris county, which would be the majority of his district. We firmly believe this would take away our voice and divide our community. We do not support any part of this attempt to divide and conquer. Harris county does not represent our values, morals and beliefs. I would fully support any litigation that may come in opposing this attempt to steal our voice and proper representation. As a registered voter, I implore you to keep Montgomery County intact and allow us to continue to be represented by Brandon Creighton.
