Message:

I am entirely opposed to this suggested redistricting map. Stop silencing the voices of Texans to keep your seats! It shows clear cases of gerrymandering and does not fully represent the growth of people of color in Texas from the last 10 years. Though you may succeed by having this tied up in courts for the duration of the time it takes to get the votes you want, they will be achieved in an unconscionable way. Let all of your constituents' voices be heard, and not just those who will keep you elected.
