Message:

I would like to respectfully request that serious consideration be given to making our congressional districts competitive. Over the past couple years, there has been a grassroots movement in educating and connecting with voters. Many for the first time heard from Republicans in their community and what conservatives stand for. After much work in these areas, it is a shame to see that any decision would be made to divide such lines and keep democratic areas unfairly benefiting from such redistricting. Thank you for your attention and doing what is right and just.
