Message:

Why is the need all of a sudden  
to redistrict the counties all  
of a sudden a priority.  
Republicans have ran the senate  
for Texas for many years and  
governor Abbott for years as  
well. Is it the care that isn't  
present for the citizens of  
Texas, the resources being  
stripped away for many Texans  
in the area. Since the current  
federal government  
administration took office.  
Texans are seeing through the  
smoke and mirrors that the  
great state of texas; isn't so  
great anymore. We no longer  
stand on our own and the state  
government has now became  
walking puppets for the current  
federal administration. Many  
Texans are leaving who have  
lived here for years because  
this isn't the Texas we all  
knew and loved and slowly  
becoming California's ugly  
sister. If you are confident  
that this will improve  
republican voices your badly  
mistaken. Despite the  
gerrymandering we will make our  
voices heard and make sure that  
we restore this state to its  
former glory
