Message:

This is the antithesis of representing your constituents. Your bald power grab is the mark of cowardly, flaccid, frightened representatives. What is the natural conclusion of disenfranchising hundreds of thousands of voters in your own state? By the history in founding of Greek democracy, as well as the founding of our nation and it's 3/5 compromise, white landowning males have always been at the center of the systems structures that uphold power.

But while you tell your constituents that you were there to represent fairness, small government, family values in the constitution, you aren't. With your vote to give Donald Trump the five seats he's requesting, you go against every freedom you've ever claimed to represent except the freedom to a mass wealth. You will be shackling yourself permanently to the decisions you make in terms of this redistricting.
